

A REAL LAND BARGAIN!

Owner Must Have Ten Thousand Dollars at Once and Will Make Big Sacrifice to Get It.

The one best buy left in the Mesilla Valley. Nothing like or equal to it has been offered in three years. We will give a \$50 suit of clothes to any man who can show us the equal of this tract at even \$100 per acre, and yet we are authorized to sell this land at \$75 per acre providing we do it inside of Ten Days.

JUST THINK OF IT: 320 acres of as fine land as there is in the Mesilla Valley, every acre under ditch and the Leasburg diversion dam and less than one-half mile from the Santa Fe R. R. station.

This tract is located just thirty miles north of El Paso, has 130 acres in wheat, of which 80 acres is seeded to alfalfa and 100 acres more is plowed and ready to plant to corn and beans. The balance is clear and level and ready for the plow.

The main irrigation canal passes right through the property and it also fronts on the new Macadamized Boulevard from El Paso to Las Cruces.

The income from this year's crop will more than pay the expense of putting the entire tract in alfalfa and the minute that is done it is the cheapest tract of its size anywhere in the valley at \$150 per acre, and in our opinion two years from now will see it a snap at \$200 per acre.

Just Think of the Enormous profit to be Made from a \$10,000 Investment Without a Particle of Chance.

Vendor will accept notes at eight per cent for balance of purchase price and make the time to suit the purchaser.

The first man who calls at our office and makes an engagement to see this land gets the first chance to buy, and the opportunity alone is worth ten thousand dollars.

Call and see us as soon as you see this adv. and we will arrange to show you the land tomorrow and have you back home at six o'clock.

INVESTIGATING HAY CROP IN TEXAS TO FIX PRICES

Las Cruces, N. M., April 28.—E. B. Hoagland, of the Mesilla Valley Produce exchange, is in Texas, where he has been investigating the hay crop for this year's crop. From present indications the opening price for first class alfalfa will be in the neighborhood of \$11, on board the cars at Las Cruces. This is a good price for the first crop and means that most of the hay of the valley will be moved as soon as it is baled.

The second crop will not bring more than \$8 to \$9, the value after that being somewhat dependent upon whether or not the river remains full.

LAS CRUCES HAS A HEAVY WIND STORM

Las Cruces, N. M., April 28.—Las Cruces and vicinity were visited by a very heavy wind storm yesterday afternoon, preceded by a light sprinkle of rain and followed by a very refreshing shower.

In the Organ mountain district and the mesa land on the west side of the river the storm was much heavier than it was in this town, the cattle range country being especially well favored.

So far this year the Mesilla Valley is ahead of the average in rainfall, as shown by the records kept at the experiment station of the Agricultural college.

BIG ALFALFA YIELD IN THE MESILLA VALLEY

Las Cruces, N. M., April 28.—The farmers of the American Bend colony have been cutting their alfalfa this week and are reporting larger yields than any other portion of the valley. This land is all old bosque land in the river bottoms and the alfalfa is only from two to three years old.

Las Cruces, N. M., April 28.—Although only six cases of scarlet fever have been reported in this locality, all of which are completely under control, it has been thought best to close the public school for a period of ten days, in order to obviate any possibility of spreading the disease through the children. All of the cases now under the care of the physicians are reported as doing well.

Las Cruces, N. M., April 28.—"Uncle Bob" Mayberry, a veteran trapper and hunter of this territory, on his last trip to the San Andres mountains discovered a covey of Chinese plovers, from which he secured 17 birds. This is the first instance reported of such birds being found in this part of the country and there is considerable surmise as to how they got here. They were at a small water tank and were pretty wild.

Las Cruces, N. M., April 28.—L. E. Ruhlke has a number of pedigreed Poland China pigs at his ranch home just north of Las Cruces, from which

It has often been mentioned and is well known in other copper mining camps, yet there has been a dearth of such things in Morenel heretofore. This is the plan of taking water from the copper mines and storing in vats and then filling up the water with tin cans and scrap iron, which eventually become crusted copper.

FORM ASSOCIATION OF ODD FELLOWS

Artesia, N. M., April 28.—The celebration of the 32nd anniversary of Odd Fellowship by the Pecos valley Odd Fellows at Artesia, proved a most successful event. Special trains from the north and south brought in the patriarchs militant in uniform from Roswell and lodges from Roswell, Carlsbad, Lake Arthur, Hagerman and Dexter, and the Carlsbad band, that were greeted by the reception committee and the Artesia band, and escorted to the hall for registration. A large number of Rebekahs accompanied the Odd Fellows.

The parade extended several blocks and was led by the Carlsbad band and patriarchs' militant and the lodges in regalia with the Rebekahs in autos and proceeded to Western college, where the exercises were held. FREE TO YOU—MY SISTER

Free to You and Every Sister Suffering from Women's Afflictions.

I am a woman. I know woman's sufferings. I have found the cure. I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—your, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourself, and how to cure your sister, of the help of a doctor. Men cannot understand woman's sufferings. What we women know from experience, we know better than any doctor. All men treat women as if they were machines. They do not know that we are human beings, with feelings, with a mind, with a heart, with a soul. We are not machines, we are women. We are not to be treated as if we were. We are to be treated as women. We are to be treated with kindness, with sympathy, with understanding. We are to be treated with the same care and attention that we give to our children. We are to be treated with the same love and devotion that we give to our husbands. We are to be treated with the same respect and honor that we give to ourselves. We are to be treated with the same dignity and pride that we give to our names. We are to be treated with the same strength and courage that we give to our souls.
